At Home Products

Monitoring your health at home doesn't have to come with a big price tag. We partner to provide discounts for top technology and tools so that you and your family can stay on top of important health needs with ease.

Natural Products & Services

Nurture yourself inside and out through massage therapy, chiropractic services, nutrition services, natural products and more. Even if your current plan includes coverage for some of these services, you can still take advantage of discounted rates.

Fitness

Making fitness part of your everyday life becomes easier when you have access to cost-effective products and services. Whether you're looking to join a gym, track your progress with a wearable device or find some new workout gear, discounts are here to help.

Lasik

Lasik surgery is used to correct nearsightedness, farsightedness and astigmatism. While plans don't cover Lasik, you can receive discounted rates when paying out-of-pocket (without insurance) through these providers:

- LasikPlus
- QualSight Lasik
- U.S. Laser Network
- LifeMart

Vision Care

As a member, you can take advantage of vision care discounts available at nationwide providers, whether you're looking to upgrade your existing eyewear, find a better rate or try something new.

Dental

Through routine oral health care, you can help prevent teeth and gum issues before they start. As a member, you have access to special discounts that will help keep your mouth as healthy as it can be.

Hearing

Save on all-inclusive solutions to enhance your hearing, from exams to the latest hearing aid technology to follow-up services.

Two ways to save

	Special Features
Hearing Care Solutions	<ul style="list-style-type: none">• A discounted rate for hearing exams

	<ul style="list-style-type: none"> • Up to a 63% discount on hearing aids • A three-year supply of hearing aid batteries (up to 240 cells per hearing aid). After that, you can join a discount battery mail-order program. • Free in-office service of hearing aids for one year after purchase • Free routine services (cleanings, checks and battery door replacements) for one year
Amplifon Hearing Health Care	<ul style="list-style-type: none"> • A discounted rate for hearing exams • Savings on many hearing aid styles, including the newest programmable and digital instruments • Discounts on hearing aid repairs • Free follow-up services for one year • A two-year supply of batteries (up to 160 cells per hearing aid)

Tip: If your health plan covers any of this equipment or these services, check those costs before using these discounts. You could even pay less that way.

Weight Management

Whether you're looking to lose weight or achieve a healthier weight, discounted resources are here to help you along in your journey.

Senior Wellness

Discounted resources are here for you and your family members to help with in-home care, safety and senior-focused health needs.
